RE: FY2005 Historical Release Report

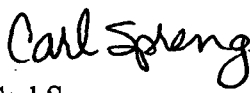

Dear Mr. Rampe:

The Environmental Protection Agency and the Colorado Department of Public Health and Environment have reviewed the FY2005 Final Historical Release Report. We acknowledge that this document summarizes actions taken at various known or suspected release locations and that more complete and detailed histories of accelerated actions and no further action decisions are contained in respective Closeout Reports or Data Summary Reports for Individual Hazardous Substance Sites and Potential Areas of Concern. We concur with the revisions that have been made and approve the version of the document dated October 2005. No further additions to this document are required.

Please refer any questions to the undersigned.

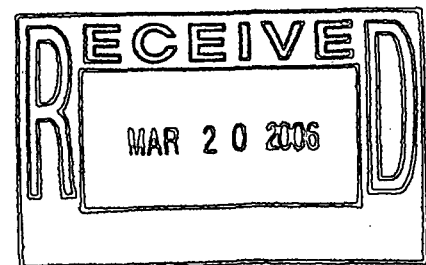

Sincerely,

C. Mark Aguilar
